

Paulson and Bernanke Realty Inc.

Unique Commercial Property 'Fort Knox'

Paulson and Bernanke, Kentucky's premier commercial property realtor bring you a unique opportunity to own a high security storage facility with plenty of room for expansion.

This property has until recently been used for metal storage but is now near empty with the remaining stock being shipped to Dubai daily. This is a perfect property if security is important to you.

Apologies, no internal photos at the moment as the current owner refuses admission.

Those concerned that the 'Deep Storage' stock needs to be removed from the property can rest assured that as it has yet to be dug up this is not an issue.

Interested parties should contact Henry at 708-555-3787 or Benny at 708-555-3783
Payment methods accepted: Gold, Silver or Euro. Please note Dollars and Paypal are not accepted.

We are working furiously to empty other storage facilities so check back soon for other properties!
